

DIRECTORY OF RESEARCH ON THE CENTER OF NANCY

Laboratory of forestry economics (LEF)

UMR INRA – ENGREF 356

<http://lef.nancy-engref.inra.fr>

Anne STENGER - 14 rue Girardet CS 14216 - 54042 NANCY Cedex - Tel: 03 83 39 68 63 - Fax: 03 83 37 06 45

- Economics of multiple use of forest, risks and forest management,
- Economics of the wood-industries and the forestry sectors, forest sector policies,
- Forest and forestry sector economics data.

Director: Dr Anne STENGER: anne.stenger@engref.agroparistech.fr

Deputy – director: M. Franck LECOCQ: franck.lecocq@engref.agroparistech.fr

	Name	Firstname	Degree/level	Field of research	Email
Mrs	STENGER	Anne	PhD, Research Director	<i>Fields:</i> Applied microeconomics, Environmental and resource economics, Economic valuation, Experimental economics <i>Current topics:</i> multiple use of forests (water, landscapes, health, forest), economics of water quality/forest interface, meta-analysis of environmental valuation databases	Stenger@nancy-engref.inra.fr
Mr	LECOCQ	Franck	PhD, Research fellow	<i>Fields:</i> Environmental and resource economics, Public economics, Development economics, Forestry economics <i>Current topics:</i> climate change (mitigation, adaptation, relationship with development), carbon markets, economics of the forest/carbon interface, distributional aspects of climate policies	Lecocq@nancy-engref.inra.fr
Mr	BARKAOUI	Ahmed	PhD, Research Engineer	<i>Fields:</i> Agricultural economics, CGE modelling <i>Current topics:</i> forest sector analysis, agricultural supply, EU Common Agricultural Policy	Barkaoui@nancy-engref.inra.fr
Mr	BRUCIAMACCHIE	Max	Lecturer, Research Engineer	<i>Fields:</i> Forest management, Forestry economics <i>Current topics:</i> multiple use of forests	Max.bruciamacchie@agroparistech.fr
Mr	BUTAULT	Jean-Pierre	PhD, Research Director	<i>Fields:</i> Agricultural economics, International Trade, CGE modelling <i>Current topics:</i> agricultural productivity and income, structure of the agriculture sector. EU Common Agricultural Policy, WTO implications for agriculture	Butault@nancy-engref.inra.fr

Mrs	COSTA	Sandrine	PhD, Assistant professor	<i>Fields:</i> Applied microeconomics, Industrial economics, Experimental economics, Forestry Economics <i>Current topics:</i> economics of certification of sustainable forest management, wood products differentiation, marketing of wood products, transaction costs in forestry sector	Sandrine.costa@agroparistech.fr
Mr	DELACOTE	Philippe	PhD, Research fellow	Forest sector and wood-chain modelling Deforestation	Delacote@nancy-engref.inra.fr
Mr	LANGLAIS	Eric	PhD, Professor	Economics of risk, uncertainty -and insurance	Langlais@nancy-engref.inra.fr
Mr	GARCIA	Serge	PhD, Research fellow	<i>Fields:</i> Econometrics, Applied microeconomics, Environment and resource economics, Industrial economics <i>Current topics:</i> multiple use of forests, water and forest interface, water service economics, costs, networks, contracts and incentives in forest sector	Garcia@nancy-engref.inra.fr
Mr	LAYE	Jacques	PhD, Research fellow	<i>Fields:</i> Industrial economics <i>Current topics:</i> competition across capita-intensive industries in forestry sector (paper industry)	Laye@nancy-engref.inra.fr
Mrs	MONTAGNE	Claire	Research Engineer	<i>Fields:</i> Environmental and resource economics, Economic valuation <i>Current topics:</i> economic valuation of non market goods and services from forests, forest sector accounting, environmental indicators.	montagne@nancy-engref.inra.fr
Mr	ABILDTRUP	Jens	PhD, Research fellow	<i>Fields:</i> Environment economics, Non-market goods and services	Abildtrup@nancy-engref.inra.fr
Mrs	BRUNETTE	Marielle	PhD, Research fellow	<i>Fields:</i> Economics of risk, uncertainty- and insurance <i>Current topics:</i> insurance and prevention against natural hazards by forest owners	Brunette@nancy-engref.inra.fr
Mr	ROUSSELLE	Jean-Marc	Engineer	Informatique	Rousselle@nancy-engref.inra.fr
Mrs	NIEDZWIEDZ	Alexandra	Assistant Engineer	<i>Fields:</i> Statistics <i>Current topics:</i> forest sector accounting	niedzwiedz@nancy-engref.inra.fr
Mr	CAURLA	Sylvain	PhD student	Modelling the economic impact of climate change policies	Sylvain.caurla@nancy-engref.inra.fr
Mr	KERE	Eric	PhD student	<i>Fields:</i> Econometrics, Applied microeconomics, Environment and resource economics, <i>Current topics:</i> multiple use of forests, timber supply, non industrial private forest owners	eric.kere@nancy-engref.inra.fr
Mr	MARTY	G�rard	PhD student	<i>Fields:</i> Sociology <i>Current topics:</i> timber trade and auctions in public forests	marty@nancy-engref.inra.fr

Mr	ROBERT	Nicolas	PhD student	<i>Fields:</i> Applied microeconomics, Environment and resource economics, <i>Current topics:</i> multiple use of forests, production frontier, timber, biodiversity, carbon sequestration	robert@nancy-engref.inra.fr
Ms	DARSES	Ophélie	PhD student	<i>Fields:</i> Theoretical and Applied microeconomics, Game theory, contracts and incentives <i>Current topics:</i> multiple use of forests, timber production, producers' associations	odarses@nancy-engref.inra.fr

Laboratory of forest and wood resources studies (LERFOB) UMR INRA – ENGREF 1092 <http://www.nancy.inra.fr/lerfob>

Meriem FOURNIER - 14 rue Girardet CS 14216 - 54042 NANCY Cedex - Tel: 03 83 39 68 83 - Fax: 03 83 39 68 78

- Large scale modelling of forest plant species distribution and tree species productivity,
- Modelling and simulation methods for forest stand dynamics (application in silviculture),
- Modelling wood properties and evaluation of the quality of forest resources.

Director: Dr Meriem FOURNIER: meriem.fournier@agroparistech.fr

	Name	Firstname	Degree/level	Field of research	Email
Mrs	FOURNIER	Mérim	Dr/Pr	Wood, ecology, biomechanics	meriem.fournier@agroparistech.fr
Forest Ecology					
Mr	GEGOUT	Jean-Claude	PhD/Pr	Plant ecology, biogeography	jean-claude.gegout@agroparistech.fr
Mr	FERRY	Bruno	PhD/Assistant Pr	Tropical ecology, soil science	bruno.ferry@agroparistech.fr
Mr	JABIOL	Bernard	Assistant Pr	Soil science, humus classification	Bernard.jabiol@agroparistech.fr
Mr	LEBOURGEOIS	François	PhD/Assistant Pr	Bioclimatology, phenology, tree ring research	Francois.lebourgeois@agroparistech.fr
Mr	MARAGE	Damien	PhD/Assistant Pr	Plant ecology, conservation biology	Damien.marage@agroparistech.fr
Mr	PEREZ	Vincent	Technician	GIS	Vincent.perez@agroparistech.fr
Mr	PIEDALLU	Christian	Engineer	GIS, spatial modelling	Christian.piedallu@agroparistech.fr
Mr	PIERRAT	Jean-Claude	Engineer	Statistical modelling, experimental planning	pierrat@nancy-engref.inra.fr
Mrs	SAINT - ANDRE	Ingrid	Engineer	Ecological modelling, Manager of the french cooperative about silviculture	Seynave@nancy.inra.fr
Mr	BERTRAND	Romain	PhD student	Species distribution and climate change	Romain.bertrand@agroparistech.fr
Mrs	CHARRU	Marie	PhD student	Modelling of standgrowth dynamics at the national level	Marie.charru@agroparistech.fr
Mr	ELEGBEDE	Fabrice	PhD student	Forest pathology, statistics	elegbede@nancy.inra.fr
Mr	MERIAN	Pierre	PhD student	Mixed forest dynamics in front of climate change	Pierre.merian@agroparistech.fr
Mrs	RIOFRIO DILLON	Gabriela	PhD student	Dynamics of soil factors and environmental changes	Gabriela.riofriodillon@engref.agroparistech.fr
Mrs	VAN COUWENBERGHE	Rosalinde	PhD student	Vegetation dynamics after storms in mixed forests.	rosalinde.van-couwenberghe@engref.agroparistech.fr

Silviculture & Afforestation					
Mr	EHRHART	Yves	Engineer	Silviculture	Yves.ehrhart@agroparistech.fr
Mr	FALCONNET	Gérard	Engineer	Afforestation	Gerard.falconnet@agroparistech.fr
Mr	FELMANN	Matthieu	Engineer		Matthieu.felmann@agroparistech.fr
Mr	LACOMBE	Eric	Engineer	Silviculture, forest management planning	Eric.lacombe@agroparistech.fr
Mr	LESNIEWSKY	Yves	Engineer	Balance sheet carbon of the forests of ENGREF	Yves.lesniewsky@agroparistech.fr
Mr	NICOLESCU	Norocel	Maitre of conference contractual	Silviculture	Norocel.nicolescu@agroparistech.fr
Growth & Yield					
Mr	BONTEMPS	Jean-Daniel	PhD	Modelling, growth & yield, global change	Jean-daniel.bontemps@agroparistech.fr
Mrs	VINKLER	Isabelle	PhD/Assistant Pr	Growth & yield, tree architecture, modelling	isabelle.vinkler@agroparistech.fr
Urban Forestry					
Mrs	FLEISCH	Marie-Reine	Engineer	Tree in urban environment	Marie-reine.fleisch@agroparistech.fr
Wood, bio –materials, biomass					
	Name	Firstname	Degree/level	Field of research	Email
Mr	PERRE	Patrick	PhD	Physics, Mechanics, Chemical Engineering	perre@nancy-engref.inra.fr
Mr	CONTAL	Michel	Technician	Experimental device, steel cutting (60%)	contal@nancy-engref.inra.fr
Mr	FRANK	Xavier	PhD	Molecular dynamics, Lattice Boltzmann, Modelling	xfrank@nancy-engref.inra.fr
Mrs	HUBER	Françoise	Engineer	Anatomy, Electron microscope (ESEM)	Huber@nancy-engref.inra.fr
Mr	JACQUIN	Philippe	Engineer	Physical instrumentation	Jacquin@nancy-engref.inra.fr
Mr	MARCHAL	Patrice	Technician	Experimental instrumentation	patrice.marchal@nancy-engref.inra.fr
Mr	MOSNIER	Jean-Claude	Assistant Eng.	Samples preparation, wood cutting	Mosnier@nancy-engref.inra.fr
Mr	REMOND	Romain	PhD, Research Eng	Numerical modelling, drying	Remond@nancy-engref.inra.fr
Mrs	ALMEIDA	Giana	PhD, Post doc	Anatomy and physics	almeida@nancy-engref.inra.fr
Mr	COLIN	Julien	PhD student	Drying biomass, modelling	colinjulien.vls@gmail.com
Mr	CABROLIER	Pierre	PhD student	Structure and physic of cell – walls in wood	Cabrolier@nancy-engref.inra.fr

Mrs	LEFEVRE	Mariella	PhD student	Mecanosorption, oscillating drying	Mariella.Lefevre@ctba.fr
Mr	LI	Liang	PhD student	Modelisation multi echelle vegetales walls	Li@nancy-engref.inra.fr
Mr	MELLOUKI	Nawal	PhD student	Leakage in oak barrels	mellouki@nancy-engref.inra.fr
Mr	PIERRE	Floran	PhD student	Physical properties, pyrolysis of wood	floran.pierre@nancy-engref.inra.fr
